0:03

What keeps us going back to Miracle-Ear is the personnel.

0:07

It's just nice to carry my ears into a place

0:10

where somebody understands my ears better than I do myself.

0:14

It's actually part of the warranty.

0:17

There are regular checkups so that even when I don't think

0:20

there may be something wrong,

0:22

I'm called in a couple times a year to make sure

0:25

that everything is all right.

0:27

It really begins to feel just a little bit like family,

0:31

here is somebody who really cares and wants to help.

0:35

I wouldn't want to go anywhere else.
